# JOYFUL CHILDREN'S CHOIR

The Joyful Children's Choir, sponsored by Give Chances, is a choir for the students of all grades around Hackensack. The Joyful Children's Choir will allow students to nurture their hearts and souls through music. The participants will learn not only how to sing together, but also how to live together in harmony. Our music repertoire will include a wide variety of music, from Classical Bach Chorales to current American Pop Hits. The choir will meet 2 times a week.

To sign up for the Joyful Children's Choir, please submit the attached application form upon which you will be contacted to participate in an audition. The purpose of the audition is to determine your music level as well as your vocal pitch.

Please prepare a song of your choosing (think American Idol!) for the audition, but without any accompaniment. No pianist, background music, or any other musical guidance will be provided. You can choose any song, and you do not need to provide any sheet music.

You will also be asked to do some general vocalizing so that we can determine your vocal range and comfort zone.

Auditions will last for about 5 to 10 minutes, and you will be notified of the audition time, date, and location after submitting your application.

Please complete the attached application form and submit it either by mail or email.
